

## ADVANCE YOUR PASSION FOR EMORY BY BEING A DAY OF GIVING ADVANCEMENT VOLUNTEER!

You can make a big difference at Emory by being involved in our annual Day of Giving on March 24, 2021. With an investment of a few hours, you can help raise funds for the areas of Emory that are most special to you! Emory will provide a toolkit, plus make it fun with special competitions and Emory swag. As an Advancement Volunteer, you can follow these steps to rally your network.

### THREE SIMPLE STEPS

- 1** **Make a gift during VIP giving March 17-21!** During this exclusive first access to our Emory Day of Giving platform, direct your donation to what matters most to you: student scholarships, academic programs, your favorite student group, cancer research, innovations in patient care, and much more.
- 2** **Energize your contacts!** Invite your network to join you in impacting Emory! Message them via email, text, or social media asking them to make a gift of their own using your giving link during Emory Day of Giving.
- 3** **Amplify your message before, during, and after March 24!** Your authentic voice will inspire others to join you. Post about your experience at **#Emory** and **#EmoryDayofGiving** on social media. Sample messages, graphics, and suggested timelines will be provided—but remember to keep it real! Your message will be effective because it reflects your genuine passion.
